

## 14 questions to find your passion

You're the only one who can find your passion - It's inside you and it just needs to be discovered. Use the questions here to find out what you are passionate about. Do not rush through them. Find the answers with a friend or alone. Some answers will be more useful than others. It's completely fine. Allow your mind to dream big. The questions will only be useful if you do.

1. What makes you happiest? What excites you?

2. What are you ridiculously good at? What are your qualities?

3. Who do you look up to? Who are your mentors? Who inspires you? Why?

4. When was the last time you outperformed wildly with something and were in a state of flow (maybe you could not sleep out of sheer excitement)? What was it and why did you work so super hard with it?

5. Imagine you won 208 million in the lottery. Now it's 6 months later. What would you do tomorrow?

6. If you could have or do exactly what you want, what would it be?

7. What do you love about helping others? What do you often help others with?

8. What is your favourite department in the bookstore?

9. What is the first magazine / book you would look at at the bookstore or on the internet?

10. Out of all your past and present jobs, what would you do for free?

11. What do your friends always say that you are absolutely great at - you should live for that (he would be a great...). If you do not remember them ask 5 of your friends.

12. What are you naturally curious about?

13. If you had an hour to surf the web, what would you explore?

14. Think back to when you were 5 or 10 years old. What would you like to be when you get older? Everything counts? What qualities and metaphors do they represent (pilot could be a symbol of freedom).
